

PERSONAL & INDEPENDENT CAREERS GUIDANCE

Helping you to meet the Gatsby Benchmarks
& Ofsted Career Requirements

ONE TO ONE GUIDANCE INTERVIEWS (FACE TO FACE)

The core of our work is individual, face-to-face career guidance to students in Year 7-13. We have developed a range of delivery models from individual to group interviews, and targeted to blanket interviews. The length of career interviews can range from 20 to 45 minutes. When there is more than one learner in an interview, groups should be themed according to needs (e.g. similar career aspirations).

SUPPORTING CAREERS EDUCATION CURRICULUM & CAREER RELATED ACTIVITIES

We welcome the opportunity to help embed careers through the curriculum within subjects or Citizenship sessions. With our guidance expertise and employer engagement specialism we can bring careers to life! This includes group work activities, assembly talks, parent/carer information events or bespoke workshops. We can also link to our many work experience programmes.

QUALIFIED, QUALITY ASSURED & MONITORED

Our qualified team have access to the very latest Labour Market Information and resources provide a range of careers advice that will make a difference to the lives of your learners & support them to navigate career and learning opportunities in a safe and structured manner.
